| <b>Test Scenario</b> | Verify the functionality and security of the Image page |
|----------------------|---|

| Step # | Step Details                             | Expected Results                                  | Actual Results | Pass / Fail / Not executed / Suspended |
|--------|--|---|----------------|--|
| 1      | Navigate to the "Cat Lovers Heaven" site | The site is opened                                |                |  |
| 2      | Click on the "Log In" button             | The User is redirected to the Sign in screen      |                |  |
| 3      | Click on the image name                  | The User is redirected to the image page          |                |  |
| 4      | Observe the image                        | The image is displayed in full size, no thumbnail |                |  |
|        |  |   |                |  |
|        |  |   |                |  |

## Test\_Scenario\_Image\_Page - IP\_003

|                     |        |                              |  |
|---------------------|--------|------------------------------|--|
| <b>Test Case ID</b> | IP_003 | <b>Test Case Description</b> | Verify that the relevant information is displayed in the image page, as per the specification - EXIF data, image name, and the user name of the uploader |
|---------------------|--------|------------------------------|--|

|                      |  |                    |  |   |  |
|----------------------|--|--------------------|--|---|--|
| <b>Tester's Name</b> |  | <b>Date Tested</b> |  | <b>Test Case (Pass/Fail/Not Executed)</b> |  |
|----------------------|--|--------------------|--|---|--|

| S # | Prerequisites:                         |
|-----|--|
| 1   | Access to a supported Internet Browser |
| 2   | A registered account                   |
| 3   | Uploaded image                         |
| 4   | -                                      |

| S # | Test Data                                    |
|-----|--|
| 1   | user name: MrCatLover<br>password: not123456 |
| 2   | -  |
| 3   | -  |
| 4   | -  |

|                      |   |
|----------------------|---|
| <b>Test Scenario</b> | Verify the functionality and security of the Image page |
|----------------------|---|

| Step # | Step Details                                  | Expected Results  | Actual Results | Pass / Fail / Not executed / Suspended |
|--------|---|---|----------------|--|
| 1      | Navigate to the "Cat Lovers Heaven" site      | The site is opened  |                |  |
| 2      | Use the provided Test Data to log in the site | The User is redirected to the Sign in screen  |                |  |
| 3      | Click on the image name                       | The User is redirected to the image page  |                |  |
| 4      | Inspect the EXIF data                         | The correct information is displayed, taken from the EXIF information of the uploaded image |                |  |
| 5      | Inspect the name of the image                 | The name of the image should match the one of the uploaded one                              |                |  |
| 6      | Inspect the username of the uploader          | The proper name of the uploader (MrCatLover) is displayed under the image                   |                |  |
|        |   |   |                |  |
|        |   |   |                |  |

## Test\_Scenario\_Image\_Page - IP\_004

|                     |        |                              |  |
|---------------------|--------|------------------------------|--|
